REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-9 are allowable over the prior art of record because the prior art of record does not teach or fairly suggest the entire combination of elements set forth including a tensing element with an actuator and sensing element as set forth in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art of record and not relied upon is considered pertinent to applicant's disclosure.
